

Editorial Board Meetings

This is a page for the meetings every month of the Editorial Board - Each month motions passed or rejected are moved to a month specific Editorial board page (see below). Undecided motions are carried over to the next month including their votes. Passing a motion requires votes of half plus one vote of all the current members. Members who don't vote in two consecutive meetings are no longer considered current.

Anyone can join the Editorial Board Meeting □ (come in!, after the second month contributing in EB meetings you'll be considered a current member and decide on documentation issues)
