The image shows a web interface titled "Connect" with a blue header and a small gear icon. Below the header is a light blue "Tip" box containing text about Tiki Wiki CMS Groupware being FOSS. Underneath are three sections: "Promote your site" with a text input field and a "Submit site" link; "Help Tiki spread" with a checked checkbox for "Add a Powered by Tiki link on your site's footer" and a note "Requires Bottom bar (OK)"; and "Help improve Tiki" with a text input field and a link to the development site. A "Change preferences" button is at the bottom.
